

## **Information about cookies**

To improve the browsing experience, this site uses the "cookies." Cookies are small pieces of data that are temporarily stored in the memory of your browser. Data collected via cookies allow visitors to compare new and past users, to understand how users navigate the Website, and generally allow a better user experience

Cookies do not store any personal information about a user and any identifiable data will not be stored. If you want to disable the use of cookies is necessary to customize the settings on your computer by setting the deletion of all cookies or activating a warning message when cookies are being stored. To proceed without modifying the application of the cookie simply continue navigation. Visit [AboutCookies.org](http://AboutCookies.org) for more information about cookies and how they affect your browsing experience.

## **WHAT TYPES OF COOKIES we use**

### **Cookies needed**

These cookies are essential to navigation around the website and use of all its features. Without these cookies certain necessary services, such as filling out a form for a competition, can not be enjoyed.

### **Cookie functionality**

Cookies allow the site to remember the choices made by the user (such as name, language or region of origin) and provide advanced features customized. These cookies can also be used to remember changes to the text size, font and other parts of web pages that you can customize. They can also be used to provide services you have asked for such as watching a video or commenting on a blog. The information gathered from these types of cookies can be made anonymous and can not track your browsing activity on other websites. By using our website, you agree that these cookies may be installed on your device.

## **DISABLE COOKIES**

You can configure your browser to navigate to eliminate or prevent the installation of cookies, but turning off some cookies may prevent proper operation of the site. The user can control which cookies are installed, what is their life and eliminate them. the steps to perform these operations differ from browser to browser.
